Finland's prettiest student home 2020 – Domus Arctica –säätio sr

Purpose of the processing of personal data

The information provided in connection with the competition will be used to select the winners and to deliver the prizes, compile statistics, and publish the winner.

Information content of the register

The register contains the following information:

- Name
- Phone number
- Email address

Regular sources of information

The above information will be collected in connection with participation in the competition.

Regular disclosures

Customer data will not be disclosed outside the organizer or third parties maintaining or developing the service or cooperating on its behalf. Data will not be transferred or disclosed outside the EU or the EEA.

The contact information of the winner of the national competition will be handed over to the Finnish Student Housing SOA Association for reward.

Registry security principles

The information system and files of the registrar are protected by the technical security methods normally used in business operations.

Right of inspection and right to request correction of information

Every person in the register has the right to check the information stored in the register and to request the correction of any incorrect information or the completion of incomplete information. If a person wishes to check the data stored about him or her or request a correction, the request must be sent in writing to the controller. If necessary, the controller may ask the applicant to prove his or her identity. The controller will respond to the customer within the timeframe set out in the EU Data Protection Regulation (generally within one month).
